Awesome! Great work on moving this forward!

Cindy Beeler is in the office today and I let her know what was going on with this and alerted her you all may be sending her a copy of the RIA to see if she had any additional thoughts/comments. She did say that if Alexis North was working on it, she felt good that you had the input that you would need. She is willing to take a look if you'd like her to do so.

Thanks!
D

Subject: U&O FIP - draft RIA for review

We have completed an initial draft of the Regulatory Impact Assessment for Region 8's U&O

FIP. The latest version has been uploaded to Sharepoint:

https://usepa.sharepoint.com/sites/R8_Work/tribalFIPs/UOUintaBasinFIP/_layouts/15/start.aspx#/SitePages/Hor

Under “Technical Support Documents”, please review the document “U&O FIP RIA_Draft_V2” and make comments and changes as necessary. As I mentioned earlier this week, please be as specific and detailed as possible with your comments – we have very little time to do additional work on this document.

To stay on schedule, we would like to finalize the RIA by COB Friday, June 3rd. To meet that goal, we ask that you add your comments and edits to the Sharepoint document by COB **Wednesday, June 1st**. Please let me know if you have any questions or concerns.

I also want to pass along our gratitude for contributing your time and expertise to this process. Your help is critical to keep our FIP moving forward.

Have a great weekend.
